

MT OLIVE PRESCHOOL

**JULY 2021**

Welcome to Mt. Olive Preschool's Summer Session! We have an exciting summer planned with fun weekly themes and special days planned like Movie days, Swim/water play days, and Mud play days! Be sure to keep your eye on the Calendar so you know what fun event we have planned each day.

### **Tuition Rates and Registration**

Our new tuition rates begin Thursday July 1st. Please refer to your tuition rate sheet that was provided in June's newsletter. If you have lost that sheet just let your teachers know and we will be happy to give you a new one.

The month of August will begin our new school year. And with that your annual Registration is due. The deadline for your \$80 annual registration is Thursday August 15th.

### **Sunscreen Policy**

Please be sure to apply sunscreen to your child before they come to school in the mornings. If you would like there to be a reapplication of sunscreen during the school day, please be sure to fill out a permission slip and provide the sunscreen that you would like us to use on your child, with the sunscreen clearly labeled.

### **Water Bottles**

Please be sure that your child has a water bottle with them every day for school. The days are getting warm and we want to make sure water is easily accessible to them. Please make sure it is easy for your child to use, and that their name is clearly labeled on the water bottle.

### **Independence Day**

Preschool will be closed Monday July 5th in celebration of Independence day. We wish you and yours a safe and happy 4th of July. And we will see you on Tuesday July 6th.

### **Thank You**

We want to thank each and every family that made it out for the Graduation Pizza Party. It was a fun night with lots of memories and we appreciate you making time to be there!

Thank you to all the families that have purchased Lemonade for our Summer Lemonade sale. Your children have loved preparing, and enjoying this tasty summertime treat. We will continue to have lemonade sales as the summer goes on, just keep your eye out for the Lemonade sign!

### **Upcoming Closures**

Preschool will be closed August 26th through August 27th. This is a day reserved for the teachers to prepare their classrooms and their lesson plans for the Academic school year.

### **Monthly Themes**

Week 1: Camping

Week 2: Beach

Week 3: Sea Life

Week 4: Jungle Animals
