

MT OLIVE PRESCHOOL

AUGUST 2021

We are so excited to say that we have hit the one year mark of being open since the shutdown! What an amazing year we have had! We could not do any of it without the help and support of you and your families. This month brings a lot of exciting news and updates that we are so excited to announce.

Welcome Back!

We will be welcoming our friend and teacher Mrs. Amanda back on August 11th! We have missed her so much and can't wait to learn from and with her! She will be leading our Pre-K class the Butterflies and it will sure to be a fun year!

Mrs. Ashley will be coming back down to the Caterpillar class August 11th. She is excited to be back with the 2 and 3 year olds and is looking forward to co teaching alongside Mrs. Natalie.

Meet Your Teacher Night

We have set aside 30 minutes on Thursday August 5th from 4:30 to 5:00 pm for you to come meet your new teacher. With the transition of teachers in the Butterfly and Caterpillar class, we wanted to give you each an opportunity to meet us and get to know us before we come into the classrooms. We hope to see you there.

Change of Hours

After abundant thought and consideration, we have decided we are going to open back up to our extended hours. Starting Monday August 30th our hours will be from 7 am to 6 pm. Drop off and pick up of your student will be down at the lower preschool. You can come through either the Caterpillar class or the Ladybug Class front door and sign your student in there. When it is time to start our day, students will be separated into their assigned classrooms. If your child is to stay for nap through the afternoon, then pick up will be in the Ladybug and Caterpillar class as well. We are excited to take this step and hope you are as well

Tuition Updates

Due to our change of hours we have had to increase our tuition rates in order to accommodate the staff and supplies it takes to keep this school open additional hours. We appreciate your understanding. The new rates will take place on September 1st. Please see the Tuition rate sheet attached.

Website

We are excited to announce that our website is up and live. Please be sure to check it out and share with your friends and family. We will be keeping updated copies of our newsletters as well as an announcement board on our website. Be sure to check back often to get updates on the newest announcements from our school.
